

REPUBLIC OF TÜRKİYE TURKISH STATISTICAL INSTITUTE

NO : 11

DATE : 04/03/2024

SUBJECT : Updates on Monthly Indices Within The Scope of Short-Term Business Statistics

There have been significant changes in the European Business Statistics regulation recently. Turkish Statistical Institute has completed its work on reflecting these changes in the Short-Term Business Statistics and producing the new indicators. In this regard, the following changes will be made with the press releases to be published in March 2024. Methodological documents regarding these changes will be shared with the relevant press releases.

1- The base year of the Turnover Indices, which will be published on 11.03.2024, will be updated as 2021 = 100.

2- Trade Sales Volume Index press release will be published for the first time on 11.03.2024.

With this press release;

45- Wholesale and retail trade and repair of motor vehicles and motorcycles

46- Wholesale trade, except of motor vehicles and motorcycles

47- Retail trade, except of motor vehicles and motorcycles

For the above sectors, monthly sales volume indices at fixed prices (real) will be shared with base year of 2021 = 100. The Retail Sales Indices press release which was announced to be published on 11.03.2024, will not be published. The "retail sales volume index" published in the Retail Sales Indices press release will be included under this press release, and the

"retail turnover index" will be included under the "Turnover Indices Press Release" to be published on the same date.

3- The base year of the Industrial Production Index, which will be published on 12.03.2024, will be updated as 2021 = 100.

4- Services Production Index press release will be published for the first time on 14.03.2024.

With this press release;

H - Transportation and storage

I - Accommodation and food service activities

J - Information and communication

L - Real estate activities

M - Professional, scientific and technical activities

N - Administrative and support service activities

For the above sectors, services production index at fixed prices (real) will be shared with base year of 2021 = 100.

It is announced to the public with respect.
